Whistleblowing (Speak Up)

Policy owner	Chief Compliance Officer	**Effective date**	To be set on approval
Version	0.1 (draft for review)	**Next review**	12 months after approval

1. Purpose

Gives everyone a safe, confidential and, if they wish, anonymous way to report wrongdoing, and protects them from retaliation.

2. Scope

All employees, interns, contractors and temporary staff of Mindspace Artificial Intelligence Inc. and its subsidiaries in Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico and New Zealand, and remote staff in any other country (including those engaged through an Employer of Record), whether on-site, hybrid or fully remote. Former employees, suppliers and members of the public may also report.

3. Policy

3.1 What to report. Fraud, bribery, theft, accounting irregularities, breaches of law or policy, harassment or discrimination, safety risks, data breaches, environmental harm, or retaliation.

3.2 How to report. Through the independent Speak Up hotline and web form (available 24/7 in English, Swahili, Arabic, French and Spanish), to the Ethics team, or to any manager or HR officer.

3.3 Anonymity. Reports can be anonymous. The independent provider does not trace calls or IP addresses, and anonymous reporters can follow their case with a case number.

3.4 Good faith. You only need reasonable grounds to believe something is wrong; you do not need proof.

3.5 No retaliation. Dismissal, demotion, threats, exclusion or any other retaliation against a reporter or witness is gross misconduct.

3.6 Handling. Reports are acknowledged within 7 days, assessed by the Ethics team, investigated independently, and the reporter is told the outcome where possible. Cases involving senior leaders go directly to the Audit Committee chair.

3.7 Local law. Where a country's whistleblower law gives greater protection or external reporting rights, that law applies in addition to this policy.

4. Responsibilities

- **Ethics team:** Run the channel and investigations.
- **Audit Committee:** Oversees all cases and receives quarterly reports.
- **Managers:** Pass on any concern they receive to the Ethics team within 24 hours.

5. Country addenda

Where the law of Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico or New Zealand gives employees greater rights than this policy, the law applies. Each country's HR lead keeps a short addendum listing local differences, published with this policy in the Policy Centre.
