Information Security and Acceptable Use

Policy owner	Chief Information Security Officer	**Effective date**	To be set on approval
Version	0.1 (draft for review)	**Next review**	12 months after approval

1. Purpose
Protects company systems, devices and information, and sets rules for using email, internet, social media and AI tools.

2. Scope
All employees, interns, contractors and temporary staff of Mindspace Artificial Intelligence Inc. and its subsidiaries in Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico and New Zealand, and remote staff in any other country (including those engaged through an Employer of Record), whether on-site, hybrid or fully remote. It covers company devices and any personal device used for work.

3. Policy
3.1 Accounts. Use only your own account; never share passwords. Two-step sign-in is required for the portal and all company systems.

3.2 Devices. Company laptops are encrypted, managed and patched automatically. Lost or stolen devices must be reported within 1 hour.

3.3 Email and messaging. Use company channels for company business. Be alert to phishing and report suspicious messages.

3.4 Internet and software. Do not install unapproved software or visit illegal or offensive sites on company devices.

3.5 Social media. Do not share confidential information or speak for the company unless authorised. Personal views must be clearly your own.

3.6 Generative AI tools. Use only company-approved AI tools for work. Never paste confidential, client or personal data into public AI services.

3.7 Monitoring. Company systems are logged for security. Logs are reviewed only for security, legal or investigation purposes, as described in the Activity Tracking Notice.

4. Responsibilities
- **IT Security:** Set controls and respond to incidents.
- **Employees:** Follow these rules and complete annual security training.

5. Country addenda
Where the law of Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico or New Zealand gives employees greater rights than this policy, the law applies. Each country's HR lead keeps a short addendum listing local differences, published with this policy in the Policy Centre.

6. Related forms and policies
- HR-F08 Remote Work Request

7. Acknowledgement
Employees confirm they have read this policy in the portal's Policy Centre. Breaches may lead to disciplinary action under POL-18. Questions go to HR or the policy owner.

Information Security and Acceptable Use

Draft prepared for Mindspace Artificial Intelligence Inc., based on common US multinational practice. It is not legal advice and must be reviewed by qualified counsel in each operating country before adoption.
