1. Purpose

Sets fair and affordable rules for salary advances, staff loans and short-term IOUs.

2. Scope

All employees, interns, contractors and temporary staff of Mindspace Artificial Intelligence Inc. and its subsidiaries in Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico and New Zealand, and remote staff in any other country (including those engaged through an Employer of Record), whether on-site, hybrid or fully remote. Permanent employees after probation for loans; all employees for advances and IOUs.

3. Policy

3.1 Salary advance. Up to 50% of net monthly salary, at most once in any 3 months, recovered in full from the next salary.

3.2 Staff loans. Personal, education, emergency, housing and vehicle loan products, up to 3 times monthly gross salary (higher for housing with approval), repaid over up to 36 months.

3.3 Interest. Interest-free or below-market rates as set per product. Where a low-interest loan is a taxable benefit in a country, the benefit is taxed through payroll.

3.4 Affordability. Total deductions from pay, including loan instalments, may not exceed the legal limit in each country or leave the employee with less than one third of gross pay, whichever is stricter.

3.5 IOUs. Short-term cash for business purchases, settled with receipts within 14 days; unsettled amounts are recovered through payroll after notice.

3.6 Approval. Requests are made in the portal and approved by the manager, HR and Finance, with Country Head approval above set limits.

3.7 Leaving the company. Outstanding balances are recovered from final dues; any remaining balance becomes payable under a repayment agreement.

3.8 Confidentiality. Loan information is visible only to the employee, Payroll, Finance and approvers.

4. Responsibilities

- **Finance:** Manage the loan book and limits.
- **Payroll:** Deduct instalments accurately.
- **Employees:** Borrow responsibly.

5. Country addenda

Where the law of Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico or New Zealand gives employees greater rights than this policy, the law applies. Each country's HR lead keeps a short addendum listing local differences, published with this policy in the Policy Centre.
