1. Purpose
Guarantees fair and equal treatment in hiring, pay, promotion, training, discipline and exit.

2. Scope
All employees, interns, contractors and temporary staff of Mindspace Artificial Intelligence Inc. and its subsidiaries in Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico and New Zealand, and remote staff in any other country (including those engaged through an Employer of Record), whether on-site, hybrid or fully remote. It also covers job applicants.

3. Policy
3.1 Commitment. We make employment decisions on merit, skills and performance only. We do not discriminate on race, colour, ethnicity, tribe, national origin, religion or belief, sex, pregnancy, gender identity, sexual orientation, age, disability, marital or family status, HIV status, political opinion, or any other status protected by law in the country concerned.

3.2 Recruitment. Job adverts, shortlists and interviews use consistent, job-related criteria. Interview panels should include more than one person and, where possible, diverse members.

3.3 Equal pay. Men and women doing work of equal value receive equal pay. HR runs a pay equity review each year in every country and corrects unexplained gaps.

3.4 Reasonable accommodation. We adjust work, equipment or schedules for employees with disabilities, health conditions, pregnancy or religious needs unless it causes undue hardship.

3.5 Diversity data. Diversity data is collected only where lawful, voluntarily, and is used in aggregate to measure progress.

3.6 Complaints. Discrimination can be reported to HR, through a grievance (HR-F16) or anonymously through Speak Up. Every complaint is investigated promptly and confidentially.

4. Responsibilities
- **Managers:** Apply fair criteria and document decisions.
- **HR:** Monitor outcomes, train hiring managers and investigate complaints.
- **Employees:** Treat colleagues fairly and report discrimination.

5. Country addenda
Where the law of Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico or New Zealand gives employees greater rights than this policy, the law applies. Each country's HR lead keeps a short addendum listing local differences, published with this policy in the Policy Centre.
