Staff Protection, Health, Safety and Safeguarding

Policy owner	Head of Health, Safety and Security	**Effective date**	To be set on approval
Version	0.1 (draft for review)	**Next review**	12 months after approval

1. Purpose

Protects the physical and mental health, safety and security of all staff, visitors and people affected by our work, including in robotics labs.

2. Scope

All employees, interns, contractors and temporary staff of Mindspace Artificial Intelligence Inc. and its subsidiaries in Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico and New Zealand, and remote staff in any other country (including those engaged through an Employer of Record), whether on-site, hybrid or fully remote. It also covers visitors to company sites.

3. Policy

3.1 Safe workplace. Each site has a named safety lead, a risk assessment reviewed each year, first-aid staff and fire evacuation drills twice a year.

3.2 Robotics and lab safety. Robotics labs follow written machine-safety procedures, lockout and tagout, protective equipment, and induction before access. Untrained staff may not operate test rigs.

3.3 Incident reporting. Report every accident, near miss or unsafe condition in the portal within 24 hours. Serious incidents are escalated to the Country Head immediately.

3.4 Mental health. The Employee Assistance Programme offers free, confidential counselling to staff and their dependants. Managers receive mental health first-aid training.

3.5 Workplace violence. Threats or acts of violence and weapons on company premises are forbidden.

3.6 Duty of care in travel. Travellers are tracked through the travel booking system and receive security briefings for higher-risk destinations, with 24/7 emergency assistance.

3.7 Safeguarding. Staff must never exploit or abuse anyone, including children and vulnerable people met in community or school programmes. Concerns go to the Safeguarding Lead.

3.8 Remote workers. Remote staff complete a home workstation self-check and receive an ergonomic equipment budget.

4. Responsibilities

- **Country Heads:** Accountable for safety at their sites.
- **Safety leads:** Run inspections, drills and incident records.
- **Employees:** Follow safety rules and report hazards.

5. Country addenda

Where the law of Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico or New Zealand gives employees greater rights than this policy, the law applies. Each country's HR lead keeps a short addendum listing local differences, published with this policy in the Policy Centre.

6. Related forms and policies

- Incident report (in the portal)

Staff Protection, Health, Safety and Safeguarding

- HR-F08 Remote Work Request (home workstation check)

7. Acknowledgement

Employees confirm they have read this policy in the portal's Policy Centre. Breaches may lead to disciplinary action under POL-18. Questions go to HR or the policy owner.

Draft prepared for Mindspace Artificial Intelligence Inc., based on common US multinational practice. It is not legal advice and must be reviewed by qualified counsel in each operating country before adoption.
