1. Purpose

Ensures a workplace, online and offline, where no one is harassed, bullied or intimidated.

2. Scope

All employees, interns, contractors and temporary staff of Mindspace Artificial Intelligence Inc. and its subsidiaries in Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico and New Zealand, and remote staff in any other country (including those engaged through an Employer of Record), whether on-site, hybrid or fully remote. It applies at work, at company events, during travel and on chat, email, video calls and the community page.

3. Policy

3.1 Zero tolerance. Harassment, sexual harassment, bullying, victimisation and abusive conduct are not tolerated, whoever the person is.

3.2 Examples. Unwanted sexual advances or comments, offensive jokes, slurs, threats, exclusion, public humiliation, repeated unreasonable criticism, stalking, and sharing offensive images or messages.

3.3 Reporting. Report to your manager, any HR officer, or anonymously through Speak Up. You do not need to raise it with the person involved first.

3.4 Investigation. HR acknowledges reports within 2 working days and aims to finish investigations within 30 days, keeping information confidential and need-to-know.

3.5 Interim protection. Where needed, HR can separate the people involved, change reporting lines or grant paid leave during investigation, without disadvantaging the reporter.

3.6 Outcomes. Proven cases lead to disciplinary action up to dismissal. False reports made knowingly in bad faith are also misconduct.

3.7 Support. Employees affected can access confidential counselling through the Employee Assistance Programme.

4. Responsibilities

- **Everyone:** Treat others with respect and report what you see.
- **Managers:** Act immediately on any report and inform HR.
- **HR:** Investigate fairly and record outcomes.

5. Country addenda

Where the law of Kenya, Uganda, Tanzania, South Africa, Egypt, Nigeria, Mexico or New Zealand gives employees greater rights than this policy, the law applies. Each country's HR lead keeps a short addendum listing local differences, published with this policy in the Policy Centre.
